VANCOUVER, British Columbia— ECF Management Inc., organizers of the Education & Career Fairs, BC's Largest Career Planning Events, have been hosting successful Fairs in the Fraser Valley, Vancouver Island, Vancouver, Kamloops and the Okanagan since 1996. Now under the umbrella of International Conference Services, ECF Management Inc. will build upon their success with the launch of the new THINK!International Expo to be held October 2, 2010.

This one-day trade show will cover all aspects of studying, working, travelling & volunteering abroad. With an expected attendance of 3,000—4,000, this will be an event absolutely buzzing with excitement about adventuring across borders.

THINK!International will be held at the Vancouver Convention Centre East Facility at Canada Place and feature exhibitors and seminar presentations. Beyond scores of university students and graduates, we expect a large audience of travel enthusiasts, backpackers and adventure seekers alike to attend this event. If you are looking for a job overseas, want to meet with different international volunteer organizations, are exploring post-secondary education opportunities or simply love to travel, the THINK!International Expo will be an ideal event to attend.

THINK!International will allow attendees the opportunity to interact with exhibitors who are representing a wide range of employment, higher education, volunteer and travel options in a trade show format. Participants will find representatives from a variety of destinations abroad ranging from Europe, Asia, Australia, New Zealand, the United States and more! Attendees will also gain access to Seminar Sessions that will cover a broad range of topics of interest to young Canadians going abroad.
