

Website Exposure Package

The fee is in Canadian dollars and INCLUSIVE of applicable taxes.

Add the Website Exposure Package to increase your presence before and during the Expo!

This combo includes adding your internet address, a summary of your organization or services, and your logo to the THINK!International website.

Thousands of students, travel enthusiasts and job seekers will visit our website for information about the Expo all year long. Visitors will be introduced to your organization and then have the opportunity to click through to your website to find out even more valuable information. This is a great pre-marketing opportunity that will help you stand out from other exhibitors!

Pricing - \$224

The Website Exposure Package includes:

- Inclusion of your website link to www.thinkinternational.ca
- A summary about your organization or services online (maximum 75 words)
- Visual recognition with your logo on our website
- Publication upon receipt of contract and payment
